The OAR Oil & Natural Gas Sector Final Agency Review (FAR) meeting is scheduled on April 5, 12:30 – 1:30 pm (CT). The FAR package is attached.

I'm sure you probably have this covered, but as a precaution we routinely ask the involved division(s) the following:

- Has Cathy Stepp been briefed on this action and do you know and understand her position?
- Are you planning on briefing Cathy before the FAR meeting?
- Do you know if Cathy is planning to attend?
- If Cathy will not be attending has someone been delegated by her to put forward the R5 position?

Please let me know prior to the FAR meeting.

Thank you,

**Mayra Maldonado**, Associate Regional Planner  
Planning & Quality Assurance Group, U.S. EPA Region 5
